

HORTICULTURE

Days & Times Available:

Tuesday thru Thursday between 9:00 a.m. and 3:00 p.m.

For any block of time which works for your schedule.

We ask for a three-hour interval and a 12-month commitment if able.

How You Can Help:

- Perform gardening tasks in the Director's Residence Garden.
- Weed, prune, plant, bed cleanup, distribute mulch and other garden tasks.
- Work in greenhouse with staff planting plugs, seeds and tropical specimens.
- Perform garden maintenance in the Lily Pond Area, Stupp Center, the Tennis Courts, and the display beds throughout Park.

Other Information:

Master Gardener Certification is preferred, but we are willing to teach basic gardening skills to volunteers who are eager and open to learn.

Tasks will be initially supervised; however, we'd like someone who can work independently.

Driver's license required.
