

Common Ground
The Campaign for Tower Grove Park

CAMPAIGN OVERVIEW

Help us bring it home

For 150 years, Tower Grove Park has provided St. Louis with Common Ground for conservation, exploration, and recreation.

To ensure the Park can sustain and enhance its place as a community landmark, we are reaching out to supporters, like you, to make a leadership gift that will help us move forward with planned projects, and make sure our endowment is in a position to provide for the day-to-day operation and maintenance of this 289-acre gem.

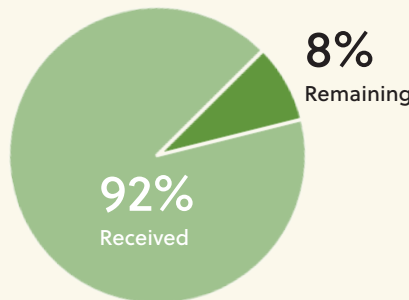

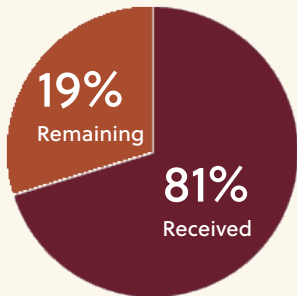

To date, we have raised 75% of our campaign goal.

Capital Projects

Goal: \$12,550,150
Received: \$10,192,000
Remaining: \$2,357,982

Endowment

Goal: \$3,500,000
Received: \$3,200,000
Remaining: \$300,000

Your gift toward the campaign will help us reach our goal and begin these projects.

- **Basketball Courts**
- **Historic Core (Phase 1)**
 - Event Support Building
 - Horticulture Head House

- Residence Garden
- Tree Restoration Master Plan
- West Gatehouse

Common Ground
The Campaign for Tower Grove Park

CAMPAIGN OVERVIEW

Upcoming Capital Projects

Your gift toward Common Ground: The Campaign for Tower Grove Park will help us begin this next round of vital capital projects.

Basketball Courts

Cost: \$600,000 Unmet need: \$340,000

The development of basketball courts will provide a new recreation amenity not just to the Park, but to the surrounding community. This project will develop two new, post-tensioned concrete basketball courts in a previously undeveloped area of Tower Grove Park.

Historic Core

Event Support Building

Cost: \$1,520,000 Unmet Need: \$1,520,000

Horticulture Head House

Cost: \$693,000 Unmet Need: \$193,000

Operations Support Building

Cost: \$1,750,000 Unmet Need: \$1,250,000

The first phase of work in the Park's historic core, will help modernize buildings that are necessary to maintain and operate the Park.

Pavilion Updates

Cost: \$1,005,000 Unmet Need: \$505,000

Following the successful restoration of the Turkish and Old Playground Pavilions, Tower Grove Park will next refurbish the Lily Pond Pavilion, Old Carriage Pavilion, Cypress South Pavilion, and Humboldt South. A recent assessment of all the Park's pavilions revealed that these pavilions were at the greatest risk of being destroyed without intervention. This much-needed project will stabilize the structures, and repair and preserve the structures for decades to come.
